

1st Quarter Homework

Monday

(Sight Word Practice)

These activities can be done with color words, number words, or your child's name. A sight word list will be sent home later in the quarter for you to use as well.

- Rainbow write each word three times.
- Write each word with upper case letters.
- Write each word with lower case letters.
- Write each word three times using your best handwriting.
- Highlight the words in old magazines and newspapers.
- Make each word using play dough.
- Write each word in dirt/sand/salt.
- Trace each word on a family member's back and have them guess the word.
- Cut letters out of magazines and glue them on paper to build each word.

Tuesday

(Math)

- Practice rote counting to 20.
- Practice writing your numbers 1-10.
- Practice counting objects in your home – beans, cereal, doors, windows, silver wear, etc.
- Play Counting Cup/Egg Carton game. (see directions)
- Highlight numbers in old magazines and newspapers.
- Practice typing your student identification/lunch number.
- Flip over cards in a deck one at a time and say the number as quick as possible.
- Write a number and draw objects to match the number. Repeat with numbers 1-10.
- Roll two dice and compare the pips. More, Less, Equal
- Flip over two cards and compare the numbers. More, Less, Equal

Wednesday

(Reading)

- Read your book to a stuffed animal or a pet.
- Create your own reading nook and read in that special spot each night.
- Listen to a story on the computer/ipad.
- Use the handout provided to practice Print Concepts and Reading Behaviors
After reading or being read to:
 - Talk about your favorite character.
 - Retell the beginning, middle and end.
 - Draw a picture of the setting.
 - Draw a picture of your favorite part and talk about why this is your favorite part.

Thursday

(Writing)

- Have your child help you create a grocery list.
- Have your child write the names of who he/she played with at school.
- Draw a picture and write one sentence about the picture.
- Practice writing all upper and lower case letters of the alphabet.
- Practice writing your first name, last name and family members' names.
- Cut out a picture from a magazine and write a sentence about the picture.
- Create 4 pattern sentences. (ex. I like..., I see..., I can..., I have...)
- Cut out pictures from a magazine, label the pictures and write a sentence for each picture.

1st Quarter Homework

Counting Cup/Egg Carton game

What You Need:

- Empty cups/egg carton
- Pen or marker
- Small food items (raisins, cereal, chocolate chips, candies) or objects (buttons)

What You Do:

Write the numbers 1 to 12 on the individual cups or sections of an egg carton. Have your child count out each number using small food items/objects. Then have your child fill each numbered cup/section with the correct number of items. Once the cups/sections are filled, work in reverse, having your child identify each number and count the pieces.
